The screenshot displays the IBM Cloud dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog' and 'Manage', and a user profile dropdown for 'ThilakAswin Thiruvallur...'. The main content area is titled 'Dashboard' and features a 'For you' section with six recommended actions: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), 'IBM Watson Knowledge Catalog' (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform), and 'IBM Cloud Migration Services' (Use IBM Cloud Migration Services to migrate workloads to a hybrid cloud with reduced risk and cost). Below this, there are four sections: 'News' (WebSphere Application Server Support Restatement, IBM Adds Lifecycle Services to Enterprise Networking and Deepens Strategic Partnership with Cisco, All About IBM Storage's Price and Supply Guarantee), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 13:03 on 14-11-2022.
